

"Strengthening The Saved & Saving The Lost"

March 2019

Dear Friends,

This month we had the opportunity to work with several Rhema students during spring break. We worked through a ministry called "Missions 4 Tulsa". They coordinated teams of students who went to a variety of places for ministry. This was the first year we had the chance to be a part of this outreach. It's great to see students stepping up to minister.

Wonderful ministry this morning as a team of 4 Rhema students came to minister at Methodist Manor. We are bringing the good news of Jesus Christ to those who find themselves in nursing and assisted care facilities.

We had another wonderful group of Rhema ministers this morning. We witnessed the power of God moving in the hearts and lives of many residents. God is so good!

When I entered the nursing home this morning one of the nurses said, with a smile on her face, "I'm glad you're here, we could use a little peace in this place." And the peace of God, which passes all understanding, filled the room. The Word of God is making a difference in these people's lives, both residents and staff. Praise the Lord!

This afternoon I was in an assisted living facility. As I entered the facility one of the staff members said, "You always come at just the right time. Ed just passed away last night."

Ed was always in our services. His favorite hymn was "I'll Fly Away", so it was the first song for the afternoon. Then we spent a lot of time sharing stories and having a wonderful memorial service for Ed. He will be missed, but we will see him again.

Big day! I started out in the nursing homes this morning with a wonderful service. The room was full and we praised the Lord.

This afternoon I went to the homeless. Two men from John 3:16 Mission were at the same place I was. It was great to visit and compare notes. We will be working together.

I want to thank you for your prayers. Today, on my way home from the nursing homes, I heard these words – calm confidence. That's how I'm feeling about the ministry. I have never been busier, but I have a calm confidence in what the Lord is doing. I believe part of that is a result of your prayers and financial giving. Thank You!
